Description: Although it is impossible to show everything that has happened in history on one poster, this one shows the rise and fall of the great empires and nations throughout history, from 3000BC to 2000AD. It is arranged by continent, and where possible, continents that are next to each other on the globe are next to each other on the chart, and each continent...

Review: This chart is good as a first edition. Although it is indeed valuable, I found it unforgivable that it does not show the Parthian empire (ca.250BC to caAD250) even though it was a major world empire, powerful enough to contain the repeated attacks of the Roman Empire towards the East. Instead, the chart just says Seleucid Kingdoms in the regions mainly...
